17. **BBC Endemol Productions “Supersize vs. Superskinny”: August, 2008.** Dr. Motykie filmed an hour-long special that focused on people in Hollywood seeking perfection from plastic surgery. Dr. Motykie used his surgical talent to perfect the body of two young, Hollywood stars through the use of liposuction. He also performed a rhinoplasty on a young actress and facial fat grafting on a male patient. The primetime special was shot specifically for the **BBC** and aired on Channel 4 TV, the UK's highest rated network.
18. **E! Entertainment DR. 90210 (Episode #605): October 13, 2008.** Dr. Motykie performed revision rhinoplasty, revision chin augmentation, revision gummy smile implant and facial fat grafting surgery on patients Tabitha Stevens in order to make her look more natural and youthful.
19. **Inside Edition: March 19, 2009.** Dr. Motykie was featured in an episode that discussed the breast reduction surgery he performed on reality TV star Patti Stanger from the Bravo series *The Matchmaker Millionaire*.
20. **E! Entertainment “Under the Knife: Celebrity Plastic Surgery”: August 16, 2009.** Dr. Motykie was featured in an episode where he performed rhinoplasty on his twin patients Vicki and Ricki (AKA the “Ikki Twins”) from MTV. Dr. Motykie also performed a scar-less breast lift/reduction and revision of prior liposuction on Angelica Bridges from the series Baywatch.
21. **MTV “True Life”: May 17, 2010.** Dr. Motykie was featured in an episode where he performed a revision rhinoplasty on a female fashion model that had been unable to pursue her career due to a previous surgery elsewhere that had yielded unsatisfactory results.
22. **Hallmark Channel Marie Show (Episode #1035): November 15, 2012.** Dr. Motykie spoke about cutting edge ways to look and feel younger without going under the knife. He stresses the importance of staying hydrated and introduces a non-invasive Radiofrequency treatment to tighten the skin and contour the body.
23. **Hallmark Channel Marie Show (Episode #110): May 13, 2013.** Dr. Motykie offers alternative advice before going under the knife for a nip and tuck. He stresses the importance of eating nutritious foods versus counting calories. Instead, he promotes juicing to cleanse the body and before surgery it’s imperative to be in good health because procedures put a lot of stress on your body. In lieu of liposuction, Dr. Gary explains a non-invasive method of freezing the fat.
24. **Hallmark Channel Marie Show (Episode #1145): June 6, 2013.** Dr. Motykie explains a revolutionary procedure using fat derived stem cells for reconstructive surgeries. Using a process similar to liposuction, he removes fat from one part of the body and injects it into a different part of the body, such as the breasts. The stem cells turn into breast tissue. A patient of Dr. Motykie's joins the conversation to share her recent experience with the groundbreaking procedure. She had her breast implants replaced with these stem cells in hopes of alleviating her symptoms of fibromyalgia. Dr. Motykie also shows a series of before and after photos of other patients who used stem cells for rejuvenation of facial features.

25. **Hallmark Channel Marie Show (Episode #1133): June 20, 2013.** Dr. Motykie shares tips to keep your skin looking healthy and youthful, including the positive effects of eating right and staying hydrated, which will show on the surface of your skin. Also, cleanse, exfoliate, moisturize, and wear sunscreen each day. For longer lasting results, Dr. Karron Power joins to demonstrate the ground breaking treatment, popularly known as “The Vampire Facelift,” where a patient's Plate Rich Plasma (PRP) is extracted from the blood and re-injected in the face to turn back the clock and help fight further aging from occurring.
26. **Hallmark Channel Marie Show (Episode #1128): July 8, 2013.** Dr. Motykie the medical benefits of Botox that extend far beyond cosmetic procedures. Injections treat conditions such as multiple sclerosis, hyperactive bladders, chronic migraines, tension headaches, jaw pain, and more. He does a live demonstration on one of his patients where he injects botox in her underarms to treat Hyperhidrosis (excessive sweating).
27. **CBS The Doctors “Health Problems Caused by Large Breasts”: December 9, 2013.** Dr. Motykie was a featured consultant for a patient desiring Breast Reduction surgery.
28. **CBS The Doctors “What the Health?!”: February 5, 2014.** Dr. Motykie joined The Doctors panel to shed light on three controversial new crazes. **“Bleach Facials?!”:** When it comes to beauty trends, some people will go to great lengths to get younger skin. Dr. Motykie discussed adding bleach to an at-home facial: Is it an anti-aging secret or a toxic trend? - **“Fast Path to ‘Beestung’ Lips?”:** Dr Motykie discussed trying a quick fix for plumping your lips. Does this suction device make your lips look like Angelina Jolie's? **“The ‘Thut’: Newest Body Problem Area?”** Dr Motykie discussed the "thut" being touted as the newest body problem. Do you have one? And, how do you get rid of it?
29. **KTLA 5 Los Angeles “Money Smart: Risks of Bargain Hunting When Shopping for a Plastic Surgeon”: April 7, 2014.** Plastic surgery is a billion dollar business, especially in Southern California, but it's expensive and many consumers are looking for ways to cut costs. Since he spends 50% of his time repairing incorrect surgeries, Dr. Motykie warns against bargain shopping for plastic surgery and non-invasive aesthetic treatments since repairing bad jobs can be more expensive than paying for quality surgery.
30. **KTLA 5 Los Angeles “Health Smart: The Internet Isn't the Only Source to Evaluate Doctors”: July 16, 2014.** When researching a doctor, the Internet can provide some guidance, but there is a lot of misinformation about surgeons in the digital world too — *don't depend on the same type of review system that is used to rate movies or restaurants to rate your doctor.* Check your surgeon's education, experience, and aesthetic sense prior to having any procedure performed on your own body. Let professional specialty societies and board certification agencies do some of the work for you as well.
31. **KTLA 5 Los Angeles “Health Smart: Wellness Weekend”: October 16, 2014.** Dr. Motykie announced a weekend of wellness at his relaxing retreat- Motykie Med Spa. Instead of taking the weekend to stray from your diet, Dr. Motykie invited the viewers to his office for a weekend of holistic healing with experts in a variety of health and beauty fields there to educate and demonstrate their wellness specialties.
32. **KTLA 5 Los Angeles “Health Smart: The Healing Curve”: October 21, 2014.** Dr. Motykie discusses his charity foundation The Healing Curve and invites viewers to apply. He started the foundation to lend a helping hand to women who have beaten breast cancer, but were left with deformity from the treatments that saved their lives. Many insurance companies do not cover the cost of breast reconstruction surgeries and the foundation offers survivors the chance to rebuild their bodies to feel like themselves again.
33. **CBS The Doctors “Breast Reduction Surgery”: January 26, 2015.** Dr. Motykie is reunited with Jessica who he performed a Breast Reduction surgery on several months prior to the filming of the episode.
